Submitted for orders -

The power in question could not be conferred upon the Dy Commissioners while the Code distinctly provides that it could be granted only to the officers above the rank of the Dy Comrs -

The delegation of powers to other officers is not desirable especially in a matter like this - we often hear complaints of the insufficiency of the passage owing to the indiscriminate grant of lands for cultivation purposes - To check this law wisely provides that the power in question should be held by the Govt

Sir,

I have the honor to bring to notice that the strict enforcement of Sec. 39 of the Mysore Revenue Code in so far as it provides that lands set apart for the free pasturage of the village cattle shall not be otherwise appropriated or assigned without the sanction of Government is likely to be productive of much inconvenience.

Applications

Applications for the whole or for portions of Survey Numbers constituting lands set apart for free pasturage are exceedingly numerous and have hitherto been promptly disposed of by the Deputy Commissioners after reference to the Survey Superintendent as regards the assessment to be imposed.

2 Section 4 of the Land Revenue Code provides for Government conferring upon the Revenue Commr. or other officer above the rank of Deputy Commissioner the necessary powers (see Schedule 1-Sec: 39). I presume that

that, as the matter is urgent, and there is absolutely no necessity for Government being burdened with the details of applications of the kind in question, the necessary powers could be conferred upon Deputy Commissioners. I submit the question however for consideration as the Mysore Land Revenue Code does not specifically provide for the difficulty I have brought to notice.
